A letter from the Camp Director...

Summer is a time for your children to create new memories, rekindle old friendships and build new ones while enjoying days filled with activities and adventures. At Westboro Tennis and Swim Camp by BSC, we create an atmosphere filled with laughter, encouragement, support, and fun throughout the summer months. Each day allows for a fresh opportunity to be active on the court, jump into a fun group game, advance swimming skills, and explore new avenues of creativity.

Our facility provides the perfect location for Summer Camp. We offer both indoor and outdoor space providing plenty of fun and endless activity, rain or shine. Our camp experience emphasizes teamwork, respect, responsibility and friendship. This year we will have a variety of new activities, opportunities to discover our artistic side, and tap into our playful, athletic spirit. Through our positive, engaging, and supportive staff, we aspire to have each child excited to come back the next day!

Please take a minute to browse through the informational brochure, which introduces you to our exciting and challenging programs. My staff and I look forward to providing a nurturing and stimulating environment for your children this summer.

If you have any questions, feel free to contact me at (508) 366-1222 ext 32 or via email at Amy.Rojas@tsiclubs.com.

Sincerely,

Amy Rojas

Staff

All camp and tennis staff consists of a group of young men and women who are committed to providing a fun and safe camp environment for each camper. Each camp staff member is carefully chosen for enthusiasm, leadership skills, past experience in working with children and their dedication to the personal development of each camper. Our staff realizes the importance of being both leaders and role models for the campers.

Every camp staff member goes through an intensive on-site pre-season training that includes certification in basic first aid and CPR. All Westboro Tennis & Swim Club by BSC Summer Camp staff receives a thorough background check, including a CORI & SORI prior to employment. The child to staff ratio for children 6 years old and under is 1 staff for every 5 campers. For all campers 7 and older, we operate a maximum ratio of 1 staff for every 10 campers. These standard ratios are set by the Department of Public Health in the Commonwealth of Massachusetts.

Westboro Tennis & Swim Club by BSC will provide, upon request, information regarding counselor background checks, health care and discipline policies, as well as procedures for filing grievances.
