Westboro Tennis & Swim Club has hosted summer camps for over 20 years for children ages 3 and up. At WTSC Summer Camp, we provide an exciting, healthy and safe environment for your child. Each day allows for a fresh opportunity to be active on the court, jump into a fun group game, advance in swimming skills and explore new adventures in creativity. Our facility is the perfect location for summer camp. We offer both indoor and outdoor space providing plenty of fun and endless activity, rain or shine. Please take a minute to look through the informational brochure, which introduces you to our exciting and challenging programs. My staff and I look forward to providing a nurturing and stimulating environment for your child this summer.
