We will be swimming in a snake fashion so that no swimmers will be swimming within 6 feet of one another. Safety is our number 1 priority, and the guidelines and protocols will be strictly followed:

Registration will be on a first come basis: limiting to 18 per age group.

1. You must be MEMBERS of the club.
2. You were a participant on last year's raiders 2019/2020 competitive winter swim team.

For those who meet both criteria above but were unable to secure one of the 18 spots, we will work on alternative times and days for placement. Anyone who does not fall into category #2 above but has been on another competitive swim team from another town or club and is a member will be placed on the waitlist. Those eligible will be chosen at the discretion of the coaches after an evaluation of the swimmer's skills, and in the order that they were received. You MUST be a member to be considered.

Anyone who has NOT been on the raiders winter swim team and has no competitive swim experience will also be placed on a waitlist for possible placement into pre swim team practice times with days TBD after the clinic has been organized.
