Participant Information:

This Participant Application allows people who are not Club Members to take certain programs and classes normally only available to Members. Any non-member who completes this application will be entered in our system as a Participant, and will be able to register for classes during non-member enrollment periods of eligible programs. Participants must indicate a method of payment for their first program signup (below). That method will be charged upon processing of this application and confirmation of program availability by our staff. Participants have the option of leaving this payment method on file for future transactions; however, Summer Camp Applicants must leave this on file.

Once you fill out this form, you will not have to fill it out again for any future programs. It is important that you provide us with a valid, working email address. Your receipt and Online Credentials will be emailed to you once your application is processed. Once you receive your online credentials, you may view your account online at any time, as well as sign up for programs in the future during non-member enrollment periods. Whether you leave your payment method on file with us, Participants may choose other payment methods at the time of future program registration. If you do not receive your login information within a week of submitting this form, please email us and let us know!

In order to register for programs in the future, *during non-member registration periods*, Participants may 1) Call the Club, 2) Sign up in person at the front desk, or 3) Sign up online using your login information.
