

## The Tennis Camps at The Westboro Tennis & Swim Club

Hello and welcome to The Tennis Camps at the Westboro Tennis and Swim Club. We have been helping all level junior players to develop better tennis technique, footwork, tactic and mental game for the last 20 years. Our last summer was our best

one yet and I am convinced that the Camp of 2023 will take another step forward. The roots of our success are in our teaching staff. I am very excited to work with pros who I believe are the best in New England. The diversity and experience of our staff allows us to specialize in working with kids of all ages and abilities. Because of the growing popularity of our camp, enrollment in the majority of sessions is limited. We encourage you to sign up early to reserve a spot. On behalf of myself, and our entire staff, we look forward to the opportunity to help you make a dramatic improvement in your tennis game and we will all have fun doing it.

Sincerely,

*Michael Zatsiorsky*
